\* This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program is unknown at this time. Information regarding general salary and placement statistics may be available from the government sources or from the institution, but is not equivalent to actual performance data.

This fact sheet is filed with the Bureau for Private Post Secondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries or license exam passage rates, this fact sheet contains the information as calculated pursuant to the state law. Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at Bureau for Private Postsecondary Education, P.O. Box 980818 West Sacramento, CA 95798-0818 Phone (916) 574-7720 Toll Free: (888) 370-75089 Web site: WWW.bppe.ca.gov E-mail: bppe@dca.ca.gov.

**Number of Students Who Began Program** the number of students who when they began the program were scheduled to complete the program within 100% of the published program length within the reporting calendar year, and includes all the students who remained enrolled after their cancellation period

**Students Available for Graduation** the students who began the program minus the students unavailable for graduation, students who began the program who have died, been incarcerated, or called to active

**Graduates** the number of students that begin the program and graduated by the date that was listed in their enrollment

**Completion Rate** the number of graduates divided by the number of students available for graduation

**Graduates Available for Employment** the number of graduates minus the number of graduates who died, were incarcerated or were called to active military duty or were international students that left the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or burea approved post secondary institution

**Graduates Employed in the Field** graduates who within 6 months of graduation, are gainfully employed in a single position that the institution listed as a positions that the graduate would be qualified for after completing the program. For a full list of job titles relevant by program please visit

**Graduates Employed Not in the Field** graduates who are gainfully employed, but not within a position initially listed as applicable to their education plan

**Placement Rate** the number of graduates gainfully employed in the field by the number of graduates available for employment

**Salary** Salary is as reported by the student. Not all graduates report salary. A list of the employers of the graduates employed in the Field can be obtained from

All job placement and salary information is retrieved by a dedicated NHCa placement specialist through a series of follow ups including but not limited to, 30,60 and 90 day follow ups, post completion interviews, job placement
